Our services

Avenbury Care Farm C.I.C. is a special day centre for people with learning disabilities, physical disabilities, dementia and additional needs.

Wheelchair friendly raised beds in the vegetable garden

Our visitors will be able to engage in a wide range of therapeutic activities such as animal husbandry, horticulture, woodwork, cooking, arts and crafts and to enjoy our sensory gardens.

Benefits

A therapeutic environment will bring:

- Improved physical health
- Better mental health and wellbeing
- A sense of purpose and achievement
- Connections with people, animals and the environment
- Opportunities to learn new skills

Animals are the best therapy!

All activities will be supported by our staff and tailored to each visitor's abilities and choices.

How to book a session

You can be referred by a professional or book a Session for yourself or someone you care for.

Contact us for the booking or referral form.

Tell us a bit about your needs and expectations and we will arrange an initial meeting to make sure that we can plan your sessions effectively.

We offer half or full day and shorter sessions with access
